1 Dear General Members' Assembly,

2 In this piece, the board would like to discuss the Batavierenrace and consequently would
3 like to ask for a deviation from the budget. We hope to sufficiently inform you about the
4 event and the following steps that have been taken.

5 **Batavierenrace**

6 During the weekend of the 29th of April, this year's Batavierenrace took place. Every year
7 SPiN rents a van to get the participants from one destination of the race to another. This
8 year the van was rented at Oscar autoverhuur (Wijchen) .

9 Sadly during this year's race one of the participants damaged the van. At the time of the
10 event, the ANWB and rental company were immediately informed and the standard
11 procedure was followed.

12 After the event, the rental company sent two claims for the damages. Together, these
13 damages result in an amount of around €2000,-. After contacting the insurance
14 company, the board was informed that SPiN's insurance does not cover these damages.
15 The case has been taken to the Rechtswinkel to ensure no more than the legally
16 required amount is paid. This process is still ongoing.

17 **Deviation of the budget**

18 The board would like to ask the GMA to be able to deviate from the budget to ensure
19 these expenses can be paid when the final claim is known. Unfortunately, no exact
20 amount can be named. We are working tirelessly to make sure the costs are kept as low
21 as possible and hope for the GMA's understanding.

22 Kind regards,

23 The XVth Board
